

The month of October 2008 marks a twenty year milestone for Artlink Design Associates.

Through two decades Artlink Design has provided turn-key project service consistency for an extraordinary number of Multi National & Hong Kong companies. Artlink's 20th anniversary year has been gratifying..., completing turn-key projects in a variety of industries. Some of these companies are, Hewlett Packard HP 30,000 sq ft, G2000 Apparel 60,000 sq ft, Baltrans Logistics (HK) 23,000 sq ft, Ernst & Young E&Y 50,000 sq ft SH (constr. & mngr) to name a few.

The Directors & team of Artlink Design thank all our past & present corporate clients.

Brand Loyalty Ltd appointed Artlink Design for the fit-out works of their new 5,000sf office in the Admiralty Centre. This is the second project Artlink has completed for Brand Loyalty Ltd.

Artlink Design provided "Rolls Royce" design-build service for the new showroom / office prior to the launching of the latest prestigious vehicle "The Phantom Coupe" in Hong Kong.

Completed on time the showroom is situated on the ground floor of The Bank of America Tower.

To complement and reflect this world famous manufacturer of pots & pans, Artlink implemented a modern look and feel with curves and subtle radiuses. The 2,500 sq ft GreenPan office is spacious, it also incorporates numerous product displays.
