

Sullivan & Cromwell, BJ

## Beijing

Artlink's newest office opened in Beijing in October. Several projects are already completed, including Sullivan & Cromwell (left), and one is currently underway. The office has a full design team and is headed up by Amy Lau from Hong Kong, and also working closely with our Shanghai and Hong Kong offices.

Artlink's four offices in Beijing, Guangzhou, Hong Kong, and Shanghai, are called upon to deliver a diverse range of styles for their design and fit-out projects.

Below are images from client's recent office renovations or relocations showing energetic and lively work places, through to sophisticated, high-profile corporate environments.
